

REED'S FARM & SLOW DRINKS BY DANNY CHILDS
COLLABORATION

THE BOTANICAL BEVERAGES FROM THIS SECTION OF OUR MENU ARE MEANT TO ACT AS A SNAPSHOT OF "A MEANINGFUL PURPOSE AT REED'S FARM", THE NON-PROFIT SISTER FARM OF STEVE AND COOKIE'S. EACH OF THE INGREDIENTS HIGHLIGHTED HERE WERE EITHER GROWN ON THE FARM OR WILD FORAGED FROM AROUND THE PROPERTY. AS A RESULT, EACH DRINK OFFERS A SAMPLE OF THE FARM'S TERROIR, I.E. FACTORS SUCH AS THE SOIL, CLIMATE, AND MICROORGANISMS THAT IMPART THEIR UNIQUE FLAVORS INTO REED'S PRODUCE.

WHILE THE TERM "TERROIR" IS MOST COMMONLY USED TO DESCRIBE PRODUCTS SUCH AS WINE AND CHEESE, THE INGREDIENTS IN THESE DRINKS WERE GROWN, HARVESTED, AND PRESERVED WITH A CARE AND PRECISION THAT IS DESERVING OF THE TERM. EACH WAS FARMED ORGANICALLY AND REGENERATIVELY, ALLOWED TO SLOWLY RIPEN AND MATURE AT THEIR OWN RATE TO MAXIMIZE FLAVOR, AND FINALLY FERMENTED AND PRESERVED WITH AMBIENT MICROBES NATIVE TO THE FARM IN A WAY THAT ALLOWS THEIR FLAVORS TO SHINE THROUGH.

THE RESULT IS A COLLECTION OF ORGANIC, PROBIOTIC, NUTRITIOUS, AND DELICIOUS BEVERAGES WITH A STRONG SENSE OF PLACE. WE ENCOURAGE YOU TO ENJOY THESE "SLOW DRINKS" AND PARTICIPATE IN THE EBBS AND FLOWS OF THE SEASONS WITH US. -DANNY CHILDS
